## Artist Call

The Aurora Cultural Arts District seeks original, 2-Dimensional artworks by artists from Aurora and the surrounding metro areas. The exhibition will showcase artistic excellence in the city by bringing cultural values and traditions that have been passed down from previous generations. We seek diversity in materials, subject matter, artists, and the stories they are telling. The objective

is to tell the untold stories of the many cultures and immigrants through visuals while enhancing Aurora's cultural identity.

The theme is "Cultural Reflections" to highlight our community's cultural heritage.

This initiative aims to diversify our public art collection by exhibiting and selling artwork from artists in all stages of their careers. The project is open to all artists residing in Aurora and the surrounding metro area. Although this initiative is open to all artists, special consideration shall be given to artists who identify as members of a Native American tribe or are a refugee.
