Artist's Lens & Lounge

A Day of Creative Connections

About the event

Join Avante Garde on February 11th, at Factory Fashion Stanley for a day of artistic camaraderie and creative connections. Artist's Lens & Lounge is a unique event hosted by Avante Garde for local artists to get professional pictures taken, network and mingle with other creatives, and to perform or enjoy performances by local artists.

The professional photoshoot will allow artists to work with photographers to capture professional photos to use on marketing materials, websites, and portfolios. Artists and photographers are encouraged to collaborate to create unique, personalized photos that reflect their artistic style and personality.

The event will encourage and foster networking (with snacks!) so you can get to know other artists in the area, and maybe even find your next collaboration! This friendly group of creatives is a great place to start building your collective. If you're a performing artist, they have an open mic stage where you can share your talents with the community. Whether you sing, dance, recite poetry, or play an instrument, you're welcome to share your passion and creativity with the community. More of a visual artist? You can contribute to a collaborative art project that will be displayed at Avante Garde events.

From creating his persona to embracing his femininity, Casey has a lot to learn. But most of all, this sequin-filled story is a celebration of individuality and a reminder to all of us to live in our truths.

Three friends. Two hundred thousand francs. One white canvas. In this fast-paced, biting comedy, long-time friendships are put to the test when an expensive white painting upends everyone's prior assumptions. Life choices are thrust to the forefront when criticism of the prize possession devolves into personal attacks and the airing of grievances. Hailed as one of the most successful comedies of all time, "ART" is the winner of the Tony Award (Best Play), Olivier Award (Best New Comedy), and NY Drama Critics Award (Best Play).

Content Advisory: Ages 16 and up. Contains adult language.
